More information about: Total War Shogun 2 Fall Of The Samurai V1 1 0 Build 5346 43. 5,000 views The world of the Total War franchise is a large place, with thousands of battles and battles to be had. While less known than the legendary Total War: Shogun 2, it has an impressive number of clever units to play. The following release includes the first big change to the gameplay since Emperor Edition in 2011, and will bring back the legendary night battles from Total War: Shogun 2. In this new release, you will be able to fight in the dark, which affects units in several ways: they become more difficult to control, their vision is limited and they can take damage from arrows and projectiles. In contrast, the sun will also damage them when it is in direct contact and it can make them easier to control. Total War: Shogun 2 Fall of the Samurai V1 0 build 5346 43 meleti.
